QUICK START

PAIRING (NAVIGATION)

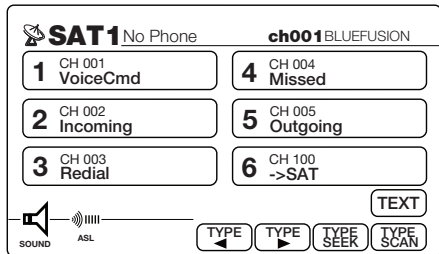

AM • SAT

Press the AM/SAT button to enter Bluefusion Source.

Note: On the Highlander; Press FM2 then AM to enter Bluefusion screen.

Unit will show Bluefusion on the right of the screen to confirm.

NOT PAIRED PHONE NOT PAIRED

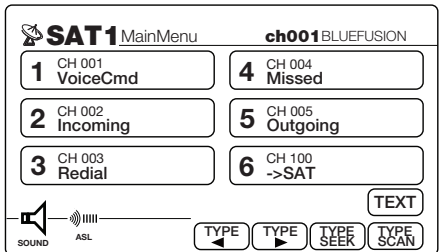

Bluefusion is in pairing mode when displayed on screen.

Now you must search for a new bluetooth device using the bluetooth menu on your cellphone. See cellphone's owners manual for information.

If prompted for a passcode simply enter "0000".

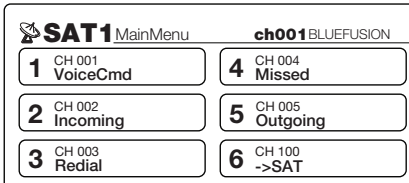

When your cellphone and the Bluefusion are paired you will see "MainMenu" next to the SAT1 icon. See below.

LIMITED WARRANTY

Scosche Industries Inc. warrants this product to be free from defects in material and workmanship for a period of 90 days from purchase. This Scosche product is sold with the understanding that the purchaser has independently determined the suitability of this product. This warranty is offered to the original purchaser of the product only. This warranty does not cover the product if physically damaged, subject to negligence or misuse, abuse, alteration, accident, or an act of GOD. This warranty does not apply to product which has water or physically damaged by accident or which has been misused, disassembled or altered.

The original dated sales slip or proof of purchase will establish warranty eligibility. If the product should prove defective within the warranty period, return the product with proof of purchase to Scosche Industries Inc. Scosche, at its option, will replace or repair the product free of charge and return the product postage paid. In no event shall Scosche Industries, Inc. be responsible for claims beyond the replacement value of the defective product, or in any way be liable or responsible for consequential or incidental damages. No express warranties and no implied warranties, whether for fitness or any particular use or otherwise, except as set forth above (which is made expressly in lieu of all other warranties) shall apply to products sold by Scosche. Scosche Industries cannot be held responsible for discrepancies/inconsistencies that may occur due to automotive manufacturing changes or option.
