

Scosche® Industries Presents Its Apple® iPad® and iPad Pro Accessory Collection

Oxnard, CA – October 26, 2022 SCOSCHE – (pronounced skōsh/skohsh) Industries, a leading innovator of award-winning consumer technology and accessories, and the #1 Mount Brand* in the U.S. and Canada, is pleased to present its collection of accessories for the new iPad and iPad Pro.

With the announcement and imminent arrival of Apple's latest iPad models, Scosche is pleased to offer the essential accessories to keep them charged, connected, organized and displayed. The newest iPad incorporates USB-C charging and, like the iPad Pro, comes with a USB-C charging cord, but no charger/adaptor. Scosche offers compact and powerful car, wall and travel chargers, along with premium cables in convenient lengths – up to 10 ft., as well as several ingenious mounting and charging solutions.

Powerful and ultra-compact **PowerVolt PD Home and Office Chargers** feature advanced GaN technology to quickly and reliably charge devices while taking up minimal space on a wall outlet or power strip. Available in a single port 30W model, a single port 60W, and a dual port 60W (2 x 30W), each one will rapidly charge an iPhone or iPad. The dual port version will simultaneously charge two devices with no loss of power to either port.

The PowerVolt PD line of Home/Office chargers are available on [Scosche.com](https://www.scosche.com) and at select retailers, at MSRPs ranging from \$29.99 to \$49.99, depending on the model.

Small but mighty, **PowerVolt PD Car Chargers** feature Programmable Power Supply (PPS), the latest PD specification from the USB Implementers Forum. PPS delivers a faster and cooler charging cycle for your device. Available in a single port 30W model and a dual port 60W (2 x 30W), each one will quickly charge an iPhone or iPad. The dual port version will simultaneously charge two devices with no loss of power to either port.

The PowerVolt PD line of Car Chargers are available on Scosche.com and at select retailers, at an MSRP ranging from \$24.99 to \$34.99, depending on the model.

The multi-award winning **PowerVolt 30W PD AC-DC Travel Charger** is the ultimate travel accessory for charging portable devices. It plugs into a vehicle's 12V DC outlet, or into a 110 AC wall outlet and delivers up to 30W of USB-C Power Delivery to quickly charge an iPhone or iPad. Measuring just 68 x 68 x 23 mm, with folding prongs and a fold-out car adapter, it slips easily into a pocket or purse. A true "Travel Charger" the PowerVolt 30PD works from 100-240V so it can be used worldwide.

The PowerVolt 30W Travel Charger (Patent Pending) is available on Scosche.com and at select retailers, at an MSRP of \$44.99

StrikeLine USB-C to USB-C Charge and Sync Cables in **Heavy Duty** and **Right Angle** versions are built from premium materials including aluminum housings, mylar shield, and fiber core, and undergo weighted bend-testing beyond industry standards. StrikeLine braided cables, including the Right Angle series, have a braided nylon jacket that provides flexibility, strength and tangle-free durability. The StrikeLine cable range includes: Right Angle, Heavy-Duty, and 6 ft. extension cables and also comes in USB-C to Lightning and USB-A to Lightning options, in a wide range of lengths from 4 ft. to 10 ft.

StrikeLine cables are available on Scosche.com and at select retailers, at an MSRP ranging from \$14.99 to \$39.99, depending upon type of connector and length of cable.

The **BaseLynx Vert** holds and charges up to three devices with one 18W USB-C port and two 12W USB-A ports. As part of the **BaseLynx Modular Charging System**, the Vert can be combined with a Wireless Charging Pad, a Watch Charging Stand and/or a Powered End Cap.

Available in black or white, the BaseLynx Vert comes with a 5 ft. AC power cable, and is currently available on scosche.com for \$29.99.

The perfect compact power source for use during off-grid excursions or during power outages, the **GoBat 10K USB Power Bank** has a 10,000 mAh rechargeable battery to keep your portable devices powered up. With dual charging ports: a 20W USB-C and a 12W USB-A, it comes with a 30 cm USB-C to USB-C charging cable. It recharges rapidly and a sequenced LED battery indicator light shows just how much power is left.

The GoBat 10K is available on [Scosche.com](https://scosche.com) and at select retailers, at an MSRP of \$54.99.

Taking your new iPad along to watch movies, play games and read books while you're off-grid requires multiple re-charges, and the **PowerUp 32K Portable Power Station** can easily handle that. With a 32,000 mAh/118Wh Lithium-Ion battery and 100W built-in inverter it charges multiple devices with: USB-C and USB-A ports as well as an AC outlet. Compact and lightweight with an LED flashlight, digital battery level indicator, rubberized coating, carrying handle, 20W PD charger, USB-C charging cable and carrying case, it's built for the active outdoor lifestyle.

The PowerUp 32K is available on Scosche.com and at select retailers, at an MSRP of \$249.99.

The **MagicMount Pro XL Surface Mount** is designed to hold larger phones and tablets on any flat surface at home, or in the office, workshop, and in-vehicle. With larger, more powerful magnets, the Pro XL comes with both a large and small MagicPlate to hold different sized devices.

The MagicMount Pro XL Surface Mount is available on Scosche.com and at select retailers, at an MSRP of \$24.99.

MagicMount Pro2 - Magnetic Phone Mounts securely hold phones and tablets and come in a wide selection of base mounting options including: Window/Dash, Cup Holder, Dash/Vent, Window/Dash Telescoping, and a Tripod/Selfie Stick.

MagicMount Pro2 mounts are available on [Scosche.com](https://www.scosche.com) and at select retailers, at an MSRP of \$44.99.
