## Magnetic Portable Speakers

The award-winning **BoomCan™ MS Portable Speaker** attaches magnetically to iPhones series 12 and later, or to most metal surfaces, and also works as a convenient kickstand. With Bluetooth® Version 5.3 for a quick and consistent connection and low latency, it delivers a rich sound, and when paired with a second BoomCan MS, true wireless stereo sound. With up to five hours of playtime per charge, it recharges quickly using the included USB-C cable.

BoomCan MS is rated IP67 – waterproof and dustproof and comes in black or white on Scosche.com and at select retailers, at an MSRP of \$39.99.

In addition to the circle of MagSafe compatible magnets in the top of the **BoomBottle® MS Portable Speaker**, powerful magnets in the base hold it securely to most metal surfaces. Two passive subwoofers and two 10W speakers drive the BoomBottle's impressive bass and crisp highs and an audio equalizer automatically adjusts for optimum sound quality whether indoors or outdoors. A built-in microphone ensures crystal clear phone calls and it's simple to pair two BoomBottle MS speakers to deliver a true wireless stereo sound. With up to 12 hours of playtime per charge, an IP67 – waterproof and dustproof rating, and a built-in bottle opener, BoomBottle MS is truly a go-anywhere speaker.

It comes with a USB-C charging cable and a MagicRing adapter kit and is available on Scosche.com and at select retailers, at an MSRP of \$129.99.
