About SCOSCHE (pronounced skōsh)

Celebrating its 35th year in business, SCOSCHE Industries is an award-winning innovator of consumer technology/electronics and car audio products - committed to delivering superior quality, exceptional value and unmatched customer service. The designers and engineers at SCOSCHE develop products that reflect a rich heritage in audio and mobile technologies. SCOSCHE finds inspiration in the California lifestyle, culture, music and people. These influences can be seen in the accessories and products that are now in the hands, homes, offices and vehicles of people in over 50 countries. With over 100 patents and countless industry awards received, it is easy to see why SCOSCHE is consistently at the forefront of technology and innovation. www.scosche.com

About M.E.S.A.

M.E.S.A. is the industry’s first and only Member-owned retailer marketing and selling group. Retailers meeting the criteria for membership and vendors, whose business practices support the independent channel of distribution, make up the backbone of the Group. Retail Members and Vendor Partners are those who have demonstrated the highest level of business principals and acumen. Retail Members are comprised of dealers representing the finest installation available to consumers and many are winners of multiple industry awards every year.
