LIABILITY DISCLAIMER

This instruction booklet is based on carefully documented data and research of automobile dash disassembly, wire harness/codes and information pertaining to installation of this kit (FD2080) in 1995-2014 select Ford/Lincoln/Mazda/Mercury vehicles. Scosche Industries, Inc. cannot be held responsible for discrepancies/inconsistencies that may occur due to the automobile manufacturing changes or options, or damage that may occur in the automobile during the installation of components while using this booklet.

If you have any further questions, call our toll free technical help line at: **1-800-621-3695x1**

QUICK-START GUIDE

INTRODUCTION

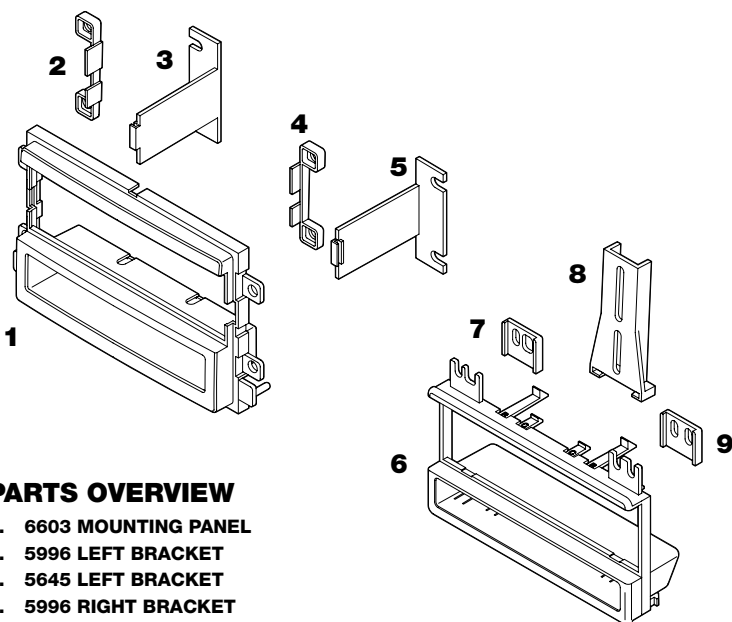

This premium installation kit is for 1995-2014 Ford/Lincoln/Mazda and Mercury Vehicles. Included are all the parts you need to mount your car stereo or CD player into your vehicle's dash. Refer to the individual instruction in this manual to remove your vehicle's factory radio and assemble the kit.

CAUTION

DISCONNECT YOUR VEHICLE'S NEGATIVE BATTERY TERMINAL BEFORE THE INSTALLATION. WE RECOMMEND THE USE OF A VOLT/OHM METER OVER A TEST LIGHT WHEN CHECKING WIRING. A TEST LIGHT (GROUNDED WIRE PROBE), IF USED IMPROPERLY, CAN CAUSE DAMAGE TO THE VEHICLE'S COMPUTER AND/OR DIAGNOSTIC WIRING SYSTEM. AVOID ALL FACTORY AIRBAG WIRING - AIRBAGS CAN ACCIDENTALLY DEPLOY, CAUSING SERIOUS INJURY OR DEATH.

Notes:

- See your vehicle's instructions for any special tools your installation might require.
- Read all instructions accompanying your car stereo/cassette player for proper wiring and mounting instructions.

PARTS OVERVIEW

1. 6603 MOUNTING PANEL
2. 5996 LEFT BRACKET
3. 5645 LEFT BRACKET
4. 5996 RIGHT BRACKET
5. 5645 RIGHT BRACKET
6. 6604 MOUNTING PANEL
7. 6617 LEFT SPACER
8. 1525 REAR SUPPORT BRACKET
9. 6618 RIGHT BRACKET

STEP 1- PICK YOUR VEHICLE & REMOVE FACTORY STEREO

Use the Vehicle Application Index on the front cover to locate your vehicle and its specific factory stereo removal instructions (pages 4-8), disassemble the dash and remove factory stereo. If your vehicle is not listed on front cover, then this is NOT the correct kit for your vehicle.

QUICK-START GUIDE

STEP 2 - STEREO ASSEMBLY

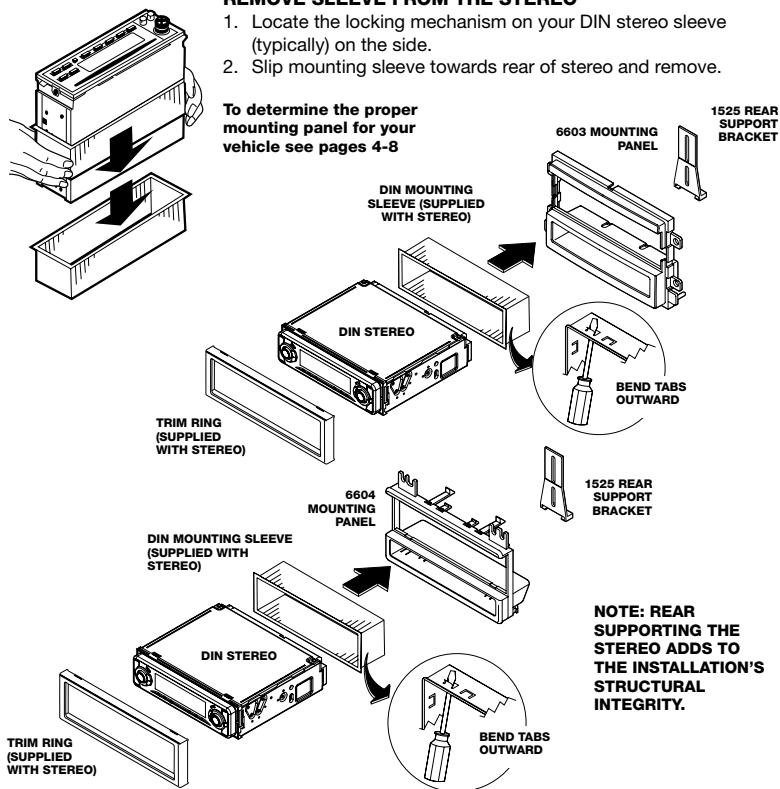

FLATFACE DIN/DETACHABLE FACEPLATE/PULLOUT (DIN-E) RADIOS

Slide the mounting sleeve (metal shroud) into the panel's radio opening and bend all available mounting tabs outward (see inset). Slide the radio into the mounting sleeve once it has been fastened to the kit panel until the radio locks into place. **NOTE:** The mounting sleeve must be removed from the radio first! Your radio may be snapped into its sleeve. Slide the mounting sleeve (metal shroud) off the radio towards the back.

REMOVE SLEEVE FROM THE STEREO

1. Locate the locking mechanism on your DIN stereo sleeve (typically) on the side.
2. Slip mounting sleeve towards rear of stereo and remove.

To determine the proper mounting panel for your vehicle see pages 4-8

SHAFT MOUNT INSTALLATION NOTE:

SNAP SHAFT MOUNTING TABS NOT INCLUDED. IF REQUIRED FOR YOUR STEREO INSTALLATION, CALL 800-821-36945 x1 FOR IMMEDIATE SHIPMENT.

STEP 3 - STEREO CONNECTION*

USE THE APPROPRIATE SCOSCHE WIRING CONNECTOR (*not included - see page 1)

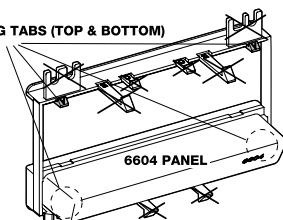

Wire up your new aftermarket stereo to the Scosche wiring connector and install the Scosche kit and new stereo assembly in your vehicle. Follow the dash disassembly for your specific vehicle in reverse order to reassemble your dash.
